

## Choose the Drumming Mode

**GENERATIVE** - Algorithmic combinatorial generation.

**AI** - Deep learning interpolation, from a chosen Start pattern to a chosen Goal pattern.

## Choose the Interpolation Genres

**S-GEN** - Start music genre selection.

**G-GEN** - Goal music genre selection.

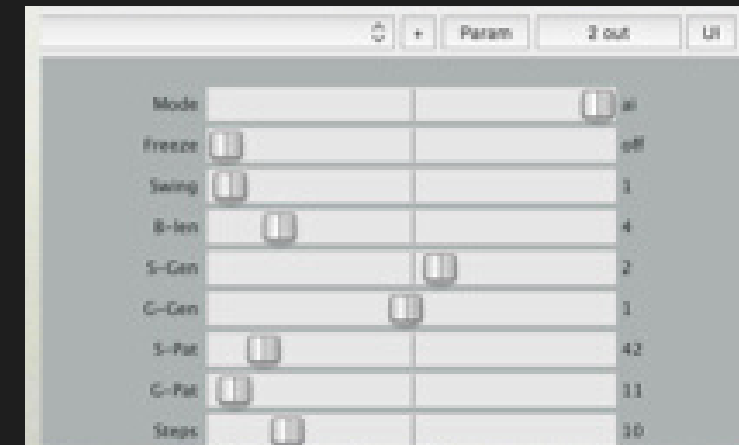

1 - ELECTRO

2 - EDM

3 - TECHNO

Interface as it looks in Ableton Live

Interface as it looks in Reaper

## S-Pat / G-Pat

Choose the interpolation Start and Goal patterns

## SWING

Add the Swinging Drumming mode gradually (variation on triplets or 6/8 timing)

## FREEZE

Freeze the drumming pattern you like to loop

## B-LEN

Number of times each drumming pattern is repeated in the interpolation (4 bars = 1 time, 8 bars = 2 times, 16 bars = 4 times)
